

INTEGRITY IS THE MOST IMPORTANT VIRTUE

It means doing the right thing at all times and in all circumstances, whether or not anyone is watching. It takes having the courage to do the right thing, no matter what the consequences will be. Building a reputation of integrity takes years, but it takes only a second to lose, so never allow yourself to ever do anything that would damage your integrity.

Humans are capable of lying, cheating and manipulating.

We live in a world where integrity isn't talked about nearly enough. We live in a world where "the end justifies the means" has become an acceptable school of thought for far too many.

It may seem like people can gain power quickly and easily if they are willing to cut corners and act without the constraints of morality. Dishonesty may provide instant gratification in the moment but it will never last. What remains forever is integrity.

How would you teach your children integrity?

Introspect and find out how much truth you've been practicing. Before you preach correct your own flaws.

Be a role model to your children. Your children will demonstrate the values you practice.

Let them experience the consequences of dishonest behaviour.

You can inspire and influence your children when you practice what you preach. Teach your children ethics. Be a coach, a counsellor, a teacher, a guide, a mentor, to your children. Don't make decisions for them but facilitate problem- solving and decision - making skills.

Profit in money or power is temporary, but profit in a network of people who trust you as a person of integrity is forever.

Make your day joyful
