

EVERYONE HAS GOT SOME OR THE OTHER EXPERIENCE OR STORY.

Inspire others with your experience or story.

Write down a life experience that was challenging but moulded you into a tougher person that you are today.

Think of that awful experience you had in your personal or professional life. Express it in words. Put it up on a blog. Your story could inspire and empower someone.

Recall the details of that experience - your feelings of vulnerability associated with it. Write down those details vividly. Describe the decision you took to overcome the situation/ challenge/pain. What was the breakthrough moment?

You've been down a dark path and survived it. There are others who are walking down similar paths, feeling lost, heartbroken and helpless. Your story can become a source of light, share it.

Be encouraging to others.

Make your day joyful
